

ADRIAN ISD TRANSFER REQUEST

Adrian ISD accepts tuition-free transfers from surrounding school districts for eligible students. Eligible students include all students who satisfy the guidelines for admission according to Texas Education Code 25.001, board policies, and the transfer committee.

Adrian ISD shall not consider as a factor in its decision any matter relating to the national origin of the student or the student's language.

All applicants for transfer must contact the principal (806-538-6203), complete a transfer request application for each student, and meet with the transfer committee. Details of the meeting with the transfer committee will be provided by the principal. **Those transfer students wishing to return to AISD need only complete this form and return it.**

Adrian ISD may place reasonable conditions on students desiring a transfer. If a student fails to meet the conditions, the transfer may be revoked.
